Dedicated

Solstice Pod Mount

FOR STREAMING MEDIA PLAYERS AND OTHER AV COMPONENTS

The ACC-MSP is a secure versatile mounting solution dedicated to the Mersive Solstice Pod. The design allows for it to be installed directly to the wall or attached to multiple options of Peerless-AV mounts. It features a secure tab which is compatible with the NanoSaver™ Kensington Locks range for added peace of mind making it ideal for public installations.

- Wall, table and service rack mountable for added versatility
- Low profile design, mounting just 34mm in depth ensures a discreet installation
- Compatible with nano Kensington Lock for additional security
- Easy access for servicing
- Anti tamper design

Compatible with the NanoSaver™ range of Kensington Locks*
