SPECIFICATIONS

- Mount unit to be compatible with mounting on standard 41mm channel strut for fast horizontal row leveling.
- 6 point of micro adjustments in one location at the top of the mount.
- Height adjustment minimum 2.5 cm on each interface
- Tilt adjustment at single pivot point, protects displays from twisting
- Depth can be set between 1000 mm and 1880 mm from the wall, providing a range of “home positions” ideal for recessed installations
- Both sides (left and right) of the mount adjust independently, compensating for imperfections in the wall
- Walls can be out of alignment by up to 508 mm (horizontally)
- Fine-tune lateral adjustment using turn knobs, protecting screens from potential collisions
- Cord release system remotely pops display out for easy access without pushing the displays and can extend displays out 3400 mm for service.
- Mount must prevent accidental pop out / release of the displays
- Kickstand provides 20 degrees of bottom tilt access
- Landscape display mount option available (LVS1U)
- VESA compatible: 200 x 100 - 800 x 400 mm
- Overall Dimensions (HxWxD): 826 x 495 x 104
- Weight capacity: 68 kg
- Color: Black
- Certifications: UL
