

Special for the large screens a floor stand with extra large floorplate. No tools needed for assembling. The perfect rental product

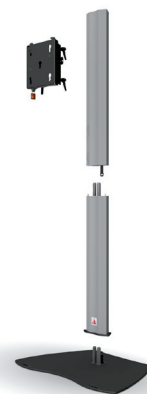

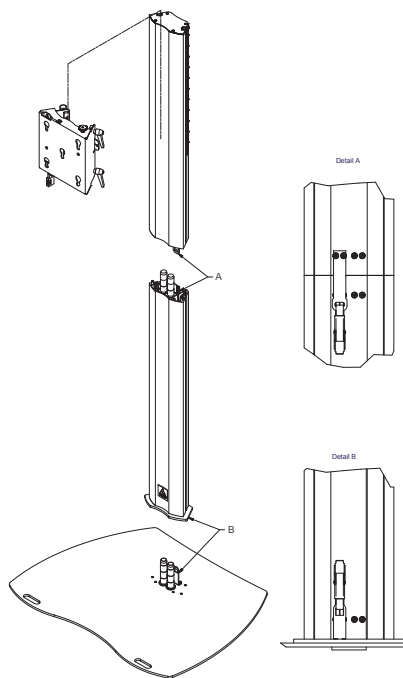

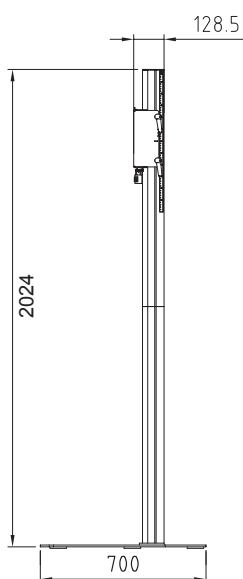

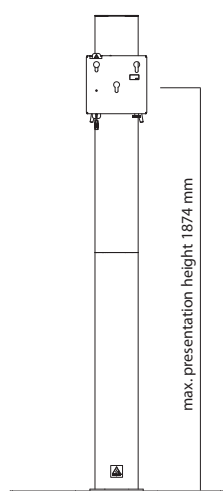

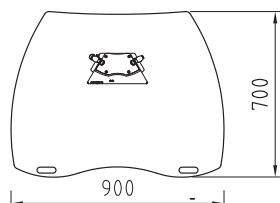

Flat panel floor stand for rental purposes. The quick release feature allows you to install the floor stand and screen on any location without tools.

The floor stand consists of a strong and solid vertical column, supplied with a wide access hatch on the back for power, audio and data cables.

The presentation height of the flat panel is adjustable. This floor stand is suitable for large flat panels with a maximum screen size of 90 inch, in landscape or portrait orientation. It has an extra large floor plate to withstand wind gusts.

- ▲ **No tools required for installation**
- ▲ **Integrated ruler for screen height positioning**
- ▲ **Integrated yet easily accessible cable channel**
- ▲ **Suitable for all brands of flat panels**
- ▲ **Landscape and portrait orientation of the screen**
