

NOVOX

Audio power NOVOX Mini Movibox Black

Product description

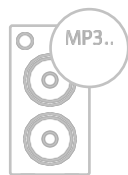

VERSATILE AND FUNCTIONAL

MiniMobivox is a 50W mobile sound system with built-in USB/SD MP3 player and Bluetooth and remote control. Thanks to its design, it is very easy to transport and the built-in battery provides uninterrupted operation for up to 12 hours.

PERFORMANCE

A 6.5"-inch woofer combined with a 1" tweeter provide enjoyable listening in both the low and high bands. The specially designed enclosure was created to enhance this bandwidth while maintaining high efficiency and clarity.

MP3 PLAYER

You can be sure of your repertoire during the event. This will be ensured by the MP3 player present on board. You can feed it with songs from an SD card, USB storage or via Bluetooth - directly from your smartphone.

UP TO 12 HOURS OF MUSIC

That's how much MiniMobivox is capable of working without charging the battery. It is also possible to connect it to the mains. There are no limits, no matter where you are!
